Forecast for Tuesday 03 May 2022

Weather: A lot of cloud expected throughout the day, this shrouding the Munro tops. Some patchy light rain expected at times, this more especially in the morning, some drier spells in the afternoon. Rather cloudy in the evening with some longer spells of rain extending east.

Chance of cloud-free hill tops above 800m: 20%

Low Cloud and visibility: Poor in extensive low cloud down to 500 to 800 metres. However cloud may lift and break for a time later in the afternoon across Jura and Mull.
